ISBAO Press Release 2016

HeloAir, Inc. achieved initial Stage 1 International Standard for Business Aircraft Operators (IS-BAO) certification and registration with the International Business Aviation Council (IBAC). This is the result of HeloAir's sustained commitment towards superior levels of Safety, Maintenance and Service, along with the true professionalism of the HeloAir team. The IS-BAO is a set of standards that reflect business aviation best practices world-wide and a management process to ensure long-term growth and development. As such, the organization and registrants undergo continued review and analysis with the goal of establishing and maintaining quality flight operations. HeloAir, Inc. is proud to be IS-BAO participant and contributor whose goal is increasing the levels of safety in flight operations.
