### **HELOAIR WINS USFS OCALA AWARD**

**January 5, 2009** - (Richmond, VA) - HeloAir is pleased to announce that they have been awarded the longest fire suppression contract in the Southeast region. They will be providing initial attack, fire suppression, and prescribed burning to both the Apalachicola and Ocala National Forests from January through September. HeloAir president Whit Baldwin, "This is a continuation of the partnership between HeloAir and the United States Forest Service. We are delighted to have won the award and look forward to assisting in fire suppression in Florida for the next three years."
